Allowable Subject Matter

This office action is in response to the submission filed on 5/10/07. Claims 1-12 are presented for examination. Claims 13-14 are cancelled.

Claims 1-12 are allowed.

Reasons for Allowance

The following is an examiner's statement of reasons for allowance:

The prior art of record single or in combination failed to teach the combination of the invention as claimed in independent claims 1,5,9.

For example it failed to teach a second transmitting step of transmitting, if the case data is not specified in said searching step, new notification data containing the description of the trouble and indicating that the trouble occurred afresh to said maker-sided device, said new notification data being transmitted according to data related to a maker; a step of obtaining answer data containing a troubleshooting procedure corresponding to the new notification data from said maker-sided device; a second storing step of storing the troubleshooting procedure contained in the answer data obtained in said obtaining step and the description about the corresponding trouble as new case data,

which clearly support by the specification pages 15-26). This feature in light of other features of the independent claims 1, 5,9 enable claims' allowable.

The dependent claims further limit the independent claims and are considered allowable on the same basis as the independent claims as well as for the further limitations set forth.

Any comments considered necessary by applicant must be submitted no later than the payment of the issue fee and, to avoid processing delays, should preferably accompany the issue fee. Such submissions should be clearly labeled "Comments on Statement of Reasons for Allowance."
